Sponsorship Proposal

WHO ARE SKILLS FOR SECURITY

As the UK's leading Fire and Security training provider, our mission is to close the skills gap by providing cutting-edge training and accessible apprenticeships, empowering the next generation of skilled Fire and Security professionals.

Training centres in
Watford, Warrington,
Walsall, and Glasgow

Over 1,000
apprentices trained
in the last
12 months

Apprentices
with over
500
employers

Social media
following of
over 29,000

Through our geographic footprint of state-of-the-art national training centers and innovative delivery methods, we aim to make high-quality training as accessible as possible for learners and employers.

Our relationships with employers, learners, sponsors, and stakeholders are at the very heart of what we do.

We have brought thousands of new people into the industry in recent years but have so much more potential yet to explore. We hope you will be part of the journey.

THE PROBLEM

Estimated shortage of over 30,000 engineers in the industry

Lack of clear career pathway

Lack of awareness amongst young people about the benefits of working in the Fire and Security industry

OUR SOLUTION

- ✓ Talent Acquisition Service
- ✓ National Apprenticeship Shows
- ✓ Creating a career pathway
